Our concept is one of individual challenge. We offer young people a balanced, non-competitive program of voluntary activities which encourages personal discovery and growth, self-reliance, perseverance, responsibility to themselves and service to their community.

Whether applying for college, university or future employment, completion of The Duke of Ed at any level plays a vital role in providing opportunities for young people to develop essential life skills, foster creativity and innovation.

ROYAL CANADIAN ARMY CADETS

All of the below classes will count as Physical Recreation, Skills and Community Service time toward any level of your Duke of Ed Award. Make sure you have a qualified Assessor who can evaluate your progress.

If you are not able to participate in these cadet activities on a regular basis (one hour per week or two every two weeks) then you will need to supplement with activities outside cadets to ensure the requirements are met in full.

ABOUT THE AWARD

The Duke of Edinburgh's International Award is a global program with the goal of challenging, empowering and recognizing young people.

Since 1963, we have helped motivate young Canadians to set goals and challenge themselves to take control of their lives and futures.

The classroom is not the only place to nurture the potential of one of our country's greatest natural resources — our youth. We strive to reach young Canadians in communities across the country and provide a platform that helps them chart their individual lives and equips them with important skills.
